2. I was planning to give my friend a surprise. His name is William. Will is not a type of guy who usually love surprises, but I was ~~going to~~ ^{going to} make sure he will like this one. It was his eighteen's birthday and I knew how to make it special for him.

I thought that he would appreciate attention and love on his birthday so I was planning to attend huge party at my parents mansion. I invited all his friends over, there was a lot of presents, balloons waiting for him in guest room. He didn't expect this party to be so large, so when he walked in and ~~tons of~~ saw tons of presents and all his friends he got a little bit shy. But I knew he liked it a lot. Party went great, we all will remember it for a long time.

At the end of the day he told me that he loved that surprise and was happy with everything. Me and his friends enjoyed it as well.

1. Hello, my name is Sofia Slesarenko, I'm from New York and I play guitar. I am very interested in your announcement and I dream of getting on your show.

I'll tell you about myself: I'm 16 years old and I started playing guitar at 12, when my older brother gave me an acoustic guitar for my birthday. I wasn't really interested in guitar then, but when my friend suggested me to listen to her favorite rock and metal bands, I just couldn't believe my ears! It was the kind of music that I want to listen to all the time. The songs featured electric guitars with different effects and I immediately realized that I would ask my mother for the new year. And I got my present, the electric guitar. I couldn't have dreamed of more! Since that time, I've been spending 6 hours playing guitar every day.

I want to get on your show because it will open up a lot of opportunities and new acquaintances for me, and possibly world recognition.

2. I was planning to give my friend a surprise. My friend's name is Kristina, but I call her Kristy. She is a talented artist. She graduated from art school with excellent grades. And I believe that in the future she will become a

great world artist. She is 16 years old. She is very kind and attentive. When I'm sad, she immediately notices it and tries to support me.

I was planning a surprise for my as 3 years of our friendship were approaching. This is a very important date for me! I threw a mini party for both of us at her house while she was away. Her parents helped us. And so, on X-day, October 6th. In the evening she comes back to her house and opens the door... Balls, ~~sets~~ glitter, and ribbons are flying from everywhere! I also gave her a gift made with my own hands with love and care. Kristina couldn't say anything. Maybe she just forgot all the words out of surprise. ha-ha! I was pleased.

We spend the rest of the evening playing board games, watching TV shows, and go on. I was feel I felt blessed to have such a good friend in my life. And she too, I have no doubt.

I enjoy comedic films and i prefer watching them at home. I like comedic films because they can lighten up your mood and make you laugh. Not only that, but i think it's a really great entertaining source and you can have a great time with your friends by just watching them. Also you may make your taste of humour way better after watching some of the films. Although sometimes some films in that genre are pretty bad and not funny for some people, you can still find something for yourself to enjoy. Overall I like comedic films and i think you should watch them when you want to entertain yourself and have a good time. As the plane

Hello! I went to ~~to~~ the city with my brothers and my mom. I was walking on the street and then, we walked on the park. Park has a lot of trees, grass and also some seats. Then we went to the store, we bought some food. Then we walked on the bridge and swimmed on the sea. And we got tired, so we slept in the uncle's home. At the next day we walked on theme park and we ride on a lot of rides. After that, we drove on bus and saw a lot of interesting things. Then we went to the station and waited for our train. We drove to the home on it. It was very fun, but was very long.
